## **Credit Bonus – Incentive Program Conditions**

In order to benefit from the credit bonus incentive plan at ITB brokerage, the following terms and conditions are considered as the basic conditions for benefiting from this incentive plan; all traders who have fulfilled the conditions of the program are able to benefit from trading in ITB brokerage.

### **Introducing the credit bonus incentive plan**

For all deposits between 200 (two hundred) dollars and 50,000 (fifty thousand) dollars, a 25% credit bonus will be provided to those who have fulfilled the following conditions:

### **Receiving credit Bonus**

All traders with an active trading account in ITB brokerage can use this plan. (This bonus can be offered for all new and old trading accounts)

### **Credit Bonus Terms and Conditions**

- The period of offering the bonus will be from March 21, 2023, to June 30, 2023, and traders will have the opportunity to withdraw the bonus until July 30, 2023.
- The bonus of this plan will be applied as a credit for all deposits made with an amount of more than two hundred dollars during the plan period, and this bonus will be withdrawn only when the requirements of this plan have been met.
- The maximum amount that can be used in this bonus for depositing amounts is up to 50 thousand dollars.
- To use the bonus, one standard lot must be traded for every \$10 bonus.
- It won't be possible to use other bonuses (Instant Special Welcome Bonus) in the ITB broker at the same time.
- All trading positions must be active for at least five minutes and have at least five pips of profit or loss.
- In case of withdrawals from trading accounts during this program span (principal paid or profits from transactions), the amount of the bonus will be reduced in proportion to the withdrawn amounts.
- To withdraw this bonus, only trading of metals, energy, currency pairs, and stock indices are counted, and cryptocurrency trading will not be considered.

## **Traders' Commitments to use the Credit Bonus plan**

- By receiving this bonus, clients will confirm that the ITB brokerage will consider only ordinary trading when withdrawing the bonus, and the withdrawal of this bonus will not be applied to hedge, scalping, etc.
- By receiving this bonus, traders are committed to having read all the terms and conditions and are fully aware of the above-mentioned terms.

ITB Brokerage undertakes to provide this bonus to all clients who are eligible and will not take into action any other requirements without any notice except for the conditions applied in this text.

All users can contact the ITB support team for more information.
